

## GO\_Biological\_Process\_2025

## KEGG\_2019\_Human

Regulation of Cell Migration (GO:0030334)

Axon Guidance (GO:0007411)

Neuron Projection Guidance (GO:0097485)

Positive Regulation of Cell Differentiation (GO:0009907)

Positive Regulation of Cell Motility (GO:0009908)

Positive Regulation of Multicellular Organism Processes (GO:0009909)

Positive Regulation of Cell Migration (GO:0009910)

Transport Across Blood–Brain Barrier (GO:0009911)

Intracellular Monoatomic Cation Homeostasis (GO:0009912)

Positive Regulation of Cell Population Process (GO:0009913)

Term

Complement and coagulation cascades

Wnt signaling pathway

PPAR signaling pathway

Bile secretion

Mineral absorption

Protein digestion and absorption

Pancreatic secretion

Cytokine–cytokine receptor interaction

Calcium signaling pathway

Cholinergic synapse
